

ADDING A PAGE RESOURCE IN LEARN 2024

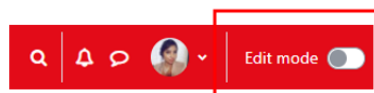

1. Go to <https://learn2024.ukzn.ac.za/>. Click on login at the top right of the homepage.

2. Enter your UKZN LAN credentials and click log in.

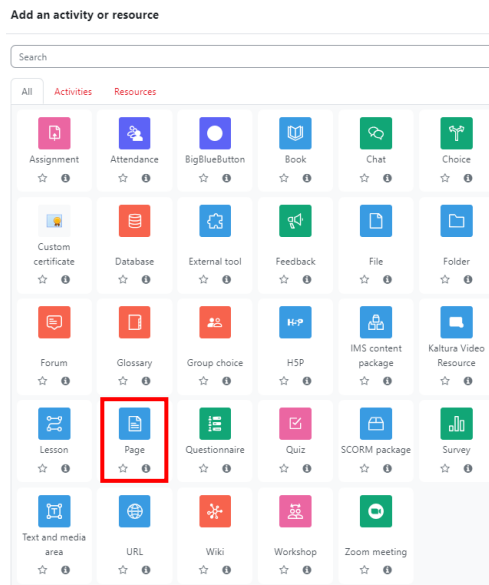

3. At the top right of your course page, switch edit mode on. Editing icons and links will appear. You can now edit your page accordingly.

4. Locate the Section where you want to add the Page activity.

5. At the bottom left of the Section, click + Add an activity or resource.
The Add an activity or resource window will open.

6. Under Adding the new page, type in the name of the page and click on the checkbox if you wish to add the description.

Adding a new Page to Page

Description

Expand all

Course Welcome

Welcome

☐ Display description on course page

7. Scroll down to 'content-box' to type in the page information (Plain text)

Content

Page content

Rich text editor toolbar and content area.

8. You can also insert images, audio, and videos on the menu bar. When you are done, scroll down and click on save and display to launch it.

There are other self-explanatory settings, like appearance and others, that you can use to set up your page resource.

- > **Appearance**
- > **Common module settings**
- > **Restrict access**
- > **Activity completion**
- > **Tags**

☐ Send content change notification [?](#)

[Save and return to course](#) [Save and display](#) [Cancel](#)

9. You have successfully launched the page resources for your students.
